A Weekend Away Eastbourne in the 1950s and 60s

Were you living in Eastbourne or did you visit Eastbourne during the 50s and 60s? If so we would love to meet you.

An exciting new project about Eastbourne exploring all events, big and small, concerning life in the town in the 50s and 60s. We are interested in your personal memories of the town at that time: work, school, tourism, hotels, shops, customs of the time, fashion, infamous tales, entertainment, local characters - **we want to hear your stories.**

Please join us for a couple of hours for tea and to share and exchange your memories with other local people. **A Weekend Away** is a project gathering memories from residents of Eastbourne who lived or visited the town in the 50s and 60s.

We are a local group engaged in a Heritage Lottery Fund project in partnership with many Eastbourne community groups, to explore peoples memories and stories about life in Eastbourne during the 50s and 60s.

If you are interested and would like to know more please call 07979 658312.
